PRESS RELEASE

Management and Engineering Technologies International Inc. (METI, Inc.) President/CEO Mr. Renard U. Johnson receives award from the El Paso Chapter of The Military Order Of The World Wars as Citizen of the year for 2009

El Paso, Texas, June 2009: Management and Engineering Technologies International, Inc. (METI, Inc.) announced today that the President of METI, Mr. Renard U. Johnson, received the El Paso Chapter "Citizen of the Year" award from the Military Order of the World Wars. Colonel, USMC, Retired Roy Green said, "Mr. Johnson's many achievements and distinguished service to the community and our nation are demonstrably supportive of the principles and the Preamble of the Military Order of the World Wars."

Mr. Johnson graciously accepted the award and said, "I am very humbled and honored to receive such a prestigious award. I accept this on behalf of my entire organization, which works tirelessly to support this community - as well as a number of communities across the nation - and most importantly to support our commitment to our men and women in uniform serving this great country."

Headquartered in El Paso, Texas METI, Inc., specializes in providing professional services in vital areas such as Systems Engineering and Information Technology to the Federal Sector. METI, Inc. was founded in 1994 and has highly skilled professionals working both domestically and internationally supporting the U.S. Government and commercial customers.
